**Coloplast's Capital Market Day 2006**

Today, Coloplast is hosting a Capital Market Day for investors, analysts and the media.

The objective of the Capital Market Day is to give the participants insight into how Coloplast expects to reach its 2012 long-term targets of sales amounting to DKK 15 billion and an operating profit of at least 17%. The following themes will be covered:

- Global Operations, Coloplast's global manufacturing organisation
- Business process efficiency gains
- Product launch strategies
- Emerging markets
- The ostomy market, including information about the launch of a new standard within ostomy care
- The acquisition of Mentor's urology business, including the integration process, market dynamics and product portfolio
- The US market for medical devices, including Coloplast's strategic initiatives in the US

Today's programme and presentations are available on Coloplast's homepage under the investor relations section ([www.coloplast.com/ir](http://www.coloplast.com/ir)).
