**Change in Urology & Continence Care Management**

Coloplast's Senior Vice President for the Urology & Continence Care Division, Sverre Poulsen, has decided to leave Coloplast per 31 august 2006.

Sverre Poulsen will take up the position as CEO of the Contex Group, a world leader within large-format colour scanners, medical film scanners and 3-D printing solutions. The company is owned by the private equity group EQT.

The search for a new Senior Vice President has been initiated. Anne Mette Olesen, Vice President, Commercial Development, in the Urology & Continence Care Division, has been appointed acting Senior Vice President until a successor to Sverre Poulsen has been appointed.

Sten Scheibye  
President, CEO

This announcement is available in a Danish and an English version. In case of doubt the Danish version shall prevail.
