

**Announcement No. 6/2014
4 June 2014****Capital Market Day 2014 provides new long term guidance**

Coloplast is hosting a Capital Market Day today at 10:00(CEST).

The Board of Directors has today approved a new long-term financial guidance, spanning 3 – 5 years, consisting of:

- Organic revenue growth of 7-10% p.a.
- EBIT-margin expansion of ½-1%-points p.a.

The previous long-term guidance was issued in connection with our 2009/10 annual report and was to outgrow the market while achieving earnings margins that are in line with the best performing med-tech companies.

At our Capital Market Day we will provide a strategic update on Coloplast as well as a detailed update on our business areas. We will also provide an innovation & pipeline update as well as an update on the marketing of products. Finally, we will provide a financial perspective on Coloplast's strategy including the new long-term guidance.

The day will include the following presentations:

- Strategy update by Lars Rasmussen, CEO
- Marketing update by Nicolas Nemery, SVP, Global Marketing
- R&D update by Oliver Johansen, SVP, R&D
- Region Europe update by Alain Morvan, SVP, Region Europe
- Region North America update by Edmond Veome, SVP, Region North America
- Region Emerging Markets update by Kristian Villumsen, SVP, Emerging Markets
- Wound Care update by Nicolai Buhl Andersen, SVP, Wound Care
- Urology Care update by Steffen Eichner Hovard, SVP, Urology Care
- Financial update by Lene Skole, CFO

The presentations from the event will be available June 4 from 10:00(CEST) at the following link:
