

Coloplast A/S

Investor Presentation
Financial Year 2004/05

Forward-looking statements

The forward-looking statements contained in this presentation, including forecasts of sales and earnings performance, are not guarantees of future results and are subject to risks, uncertainties and assumptions that are difficult to predict. The forward-looking statements are based on Coloplast's current expectations, estimates and assumptions and upon the information available to Coloplast at this time.

Heavy fluctuations in the exchange rates of important currencies, significant changes in the healthcare sector or major changes in the world economy may impact Coloplast's possibilities for achieving the long-term objectives set as well as for fulfilling expectations and may affect the company's financial outcomes.

Coloplast

Coloplast products and services help patients achieve greater independence from medical challenges in 5 areas:

Ostomy Care, Continence Care, Wound Care, Skin Care and Breast Care.

Market leader within Ostomy Care, Continence Care and Breast Care in Europe.

Sales by business area

Sales by geography

* Includes homecare

** Global market growth, Skin Health US only

Ostomy Care

- For people who have lost their normal bowel- or bladder function
- Almost 80% related to cancer
- Coloplast European market leader and continues to win market shares
- Increasing sales pressure in the US, two-digit market share in 3-5 years
- Corsinel hernia garment sales exceeding targets

Continen- ce Care

- Spinal cord injured, multiple sclerosis, spina bifida
- Catheters, urine bags, urisheaths, bowel management
- Coloplast's position very different in different segments
- Global sales of intermittent catheters growing by 21%
- New market definition on catheters, market share 36% in Europe

European continence care market 6½bn DKK

Ostomy- and Continence Care - US market

- Strong product portfolio
 - Convex baseplate, EasiClose
- Market access through GPO/IDN
 - Consorta
 - Large number of IDN contracts
- Significant growth in new patient discharge
 - Sustained OC hospital growth
- Sustained OC/CC growth
 - Reach two-digit ostomy market share within 3-5 years
 - Develop intermittent coated catheter market segment

Wound Care - global market definition

Wound & Skin Care

- Wound dressings for people with difficult to heal wounds, e.g. leg ulcers, diabetic ulcers, pressure sores
- Skin care products primarily for elderly people with skin problems in hospitals or long-term care
- Launch of Biatain Soft-hold and new silver dressings
- Good growth in sale of skin care products in the hospitals market

European wound care market (MWH)
6bn DKK

US wound- and skin care market
4-4½bn DKK

Breast Care

- For women who have had their breast removed, typically due to breast cancer
- Attached, lightweight and soft breast forms, partial breast shapers, lingerie and swimwear
- Growth in both US and Europe, new products well accepted
- Incidence of cancer in women is increasing, but number of breast-saving surgeries increasing as well, resulting in overall market decline

Global breast care market
1bn DKK

Global Operations - relocation of production

- 700 headcounts September 2005
- DKK 2bn sales value in 2006/07
- Estimated additional operating profit of 150mn DKK compared to Danish manufacturing

Coloplast, Phase I-III, Tatabanya, Hungary

- Phase I - ostomy bags, urisheaths
- Phase II - ostomy bags, dressings, catheters
- Phase III - ostomy bags, adhesive baseplates, adhesive intermediaries

Global Operations - staff requirement by geography

- A new factory to be established in Zhuhai, China, manufacturing products for the global market. Construction to be initiated in 2006
- Coloplast already manufactures in Zhuhai for the regional markets

Expectations and long-term targets

- Approximate figures

2005/06

- Sales growth of 10% in local currencies
- Profit margin of 16%
- CAPEX DKK 400mn
- Corporate tax rate of 28%

2012

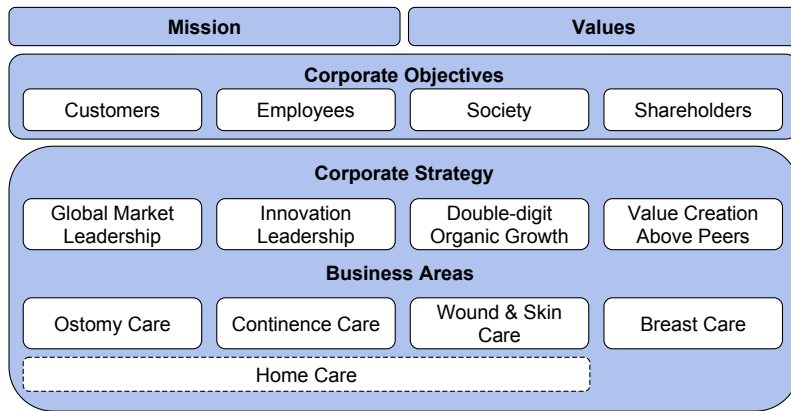

- At least a doubling of economic profit (EP) every five years, based on the 2004/05 figures
- Organic growth of Coloplast's revenue to DKK 13bn
- A profit margin (EBIT margin) to exceed 18%

Share price and EP

EP in 2001/02 is shown without special items. EP incl. special items is 657 mDKK

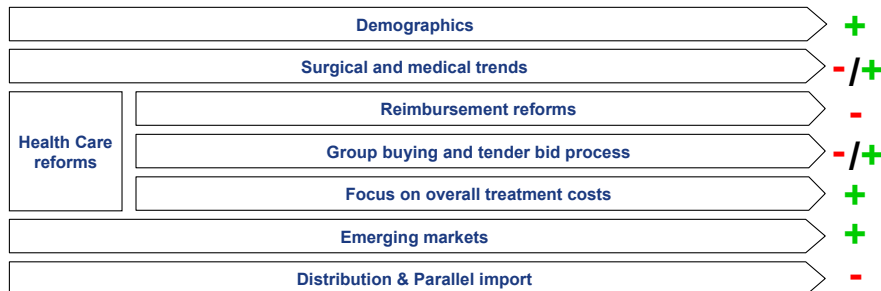

Strategic framework towards 2012

Long term value creation through growth and innovation

- Aspiring for market leadership within all business areas
 - Faster market roll-out of new products and specialised sales forces
 - Investing in new geographical markets, some with lower gross margins
- Innovation leadership
 - Up-scaling investments in R&D
 - Investing in new technologies
- Operational excellence
 - Global Operations
 - Machine building and manufacturing in low-cost countries
- Corporate procurement
- Productivity improvements through abc/Lean

External factors - Demand outlook

The demand for products and services will continue to grow in terms of volume, but pressure on prices and margins will continue

Market growth within Coloplast's business areas estimated at 5-7%

Reimbursement reforms

- UK Department of Health Consultation
 - Implement changes to existing system for reimbursement and remuneration
 - Proposed reduction of reimbursement prices
 - Ostomy Care and Continance Care products -15%
 - Wound Care dressings -5%
 - Feedback on the Consultation Document must be received by DH by 23 January 2006
- Reduction of reimbursement prices on ostomy- and continance care products in Germany
- Reduction of reimbursement prices on wound dressings in France
